**SECTION III. SPECIAL CLOSURES AND REQUIREMENTS**

- 1) No marine nets may be operated closer than 1,000' from any stream or river mouth which is not open to fishing. The river mouth shall be defined at the point where the stream enters the sea at mean low tide. At Big Beef Creek, no marine nets may be operated within 1,500' from the river mouth, which shall be defined by the Seabeck Highway crossing.
- 2) The area within 1/4 mile from each mouth of the Pysht River shall be closed to net fisheries whenever that river is closed to commercial harvest.
- 3) Fishers who operate gillnet gear (drift and/or set) in Hood Canal Areas 12, 12A, or 12B are required to have and use logbooks, provided by their Tribal Fisheries office.

**SECTION IV. EMERGENCY REGULATIONS**

Openings as well as restrictions outlined in these regulations may be modified at any time by emergency regulation based on inseason management considerations.

**SECTION V. EXPECTED EFFORT AND HARVEST**

- a) Expected effort is being submitted separately, by each member Tribe.
- b) The member Tribes intend to fully harvest their lawful share of chum salmon.

**SECTION VI. AUTHORITY**

The above regulations are promulgated by the Point No Point Treaty Council under authority delegated by its member Tribes.
